

WELCOME TO YEAR 6!

This is an important year for you, full of exciting opportunities that you should grasp to get the most out of your final year at Moorside. Being in Year 6 has a lot of responsibilities as you are the oldest pupils in the school and the rest of the school look to you for guidance.

I am really looking forward to teaching you and if you have any worries please talk to me (or any other adult in school or at home) and we will work together to make sure you have an enjoyable and successful final year at Moorside.

Expectations

At the start of the year we will discuss our expectations of each other and together will draw up a class 'class charter'. Year 6 is an important year and a high standard of work and a positive attitude is expected, especially because you set the standard for the rest of the school and because we need to prepare you for high school.

As you know there are many opportunities for rewards in our school.

These may be for attendance, punctuality, reading, effort and attitude.

At the end of the year, Year 6 pupils receive special awards. These take into account the whole of the year, so start working towards them from day one!

Homework

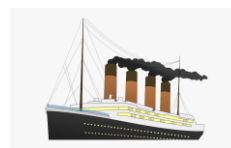

This year homework will be available to all who would like it. Ask your teacher and it will be provided for you. **Reading, Maths, Times Tables** and **Spellings** homework will be given out on **Monday** to be handed in no later than the following **Monday**. Spellings will be given out on Monday where appropriate. There are rewards for children who complete their homework regularly and on time. All homework will be marked and returned to you.
