

Home Learning Week 4 - Year 3 – Miss Lungu

Literacy

- **Writing** - Write a review of a film or TV show that you have watched this week. What happened? Add as much detail as possible. What was your favourite part? If you could change one thing, what would it be? What was your least favourite part? Would you recommend it to a friend?
- **Spellings and handwriting** - Choose 10 different spellings from your home learning pack to learn. On the sheet, copy the word out three times in your best handwriting. On the back of your sheet challenge yourself and write a sentence for each word!
- **Reading** – Use Active Learn to read the books that have been set for you. 4 or 5 pages are enough to read a day. Retell the story so far to an adult or older sibling. Remember to complete the quizzes once you complete a book.

Numeracy

- **Times tables**- Practice your times tables using the songs we enjoyed singing and dancing along to in class.
3 - <https://www.youtube.com/watch?v=dzVyBQ5uTbo>
4- <https://www.bbc.co.uk/teach/super movers/ks1-maths-the-4-times-table-with-cyril-the-swan/zmsw382>
6- <https://www.bbc.co.uk/teach/super movers/ks2-maths-the-6-times-table-with-fred-the-red/zrq3xyc>
8- <https://www.bbc.co.uk/teach/super movers/ks2-maths-the-8-times-table-with-filbert-fox/z4mrhbk>
<https://www.topmarks.co.uk/maths-games/hit-the-button>
If you feel that you are confident with these times tables, use Times **Tables Rock Stars** to practice your **7,9,11 and 12s**.
- **Calculations - Multiplication**- This week, you are going to practice multiplying using column method. I have attached a video to remind you of the method. I have also added a worksheet with questions for you to complete. If you are not too confident with your times tables, change the number you are multiplying by to 2,3,4 or 5. Use a calculator to check your answers.
<https://www.youtube.com/watch?v=cBe3RYJRODK>
- **Time** – Throughout the day, practice telling to time to o'clock, half past, quarter to and quarter past.
How many minutes in the following:
 - an hour
 - half an hour
 - quarter of an hour.**Each day, answer the following questions using the vocabulary above.**
 - What time did you go to bed?
 - What time did you wake up?
 - What time did you have breakfast?

Science – Light

Research - How are shadows formed?

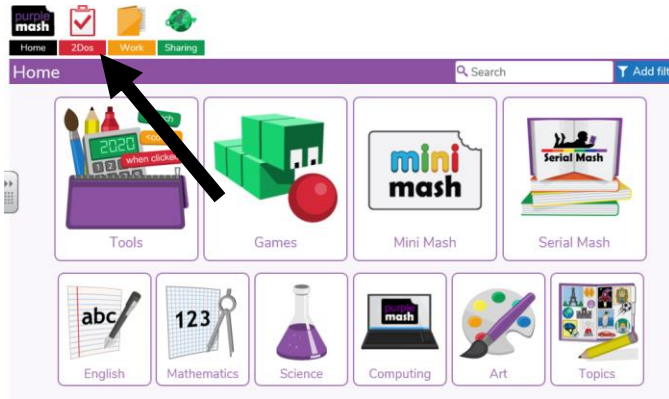

One day this week, go outside and look at your shadow. I would like you to do this in the morning, afternoon and finally, in the evening. I want you to observe what happens to your shadow at different times of the day. When was your shadow the longest? When was it the shortest?

PE

Under the Home Learning tab, there will be a 'Physical Activity Programme' link. On this link, you will find a variety of activities provided by West Lancashire Sports Partnership for your child to try.

Computing

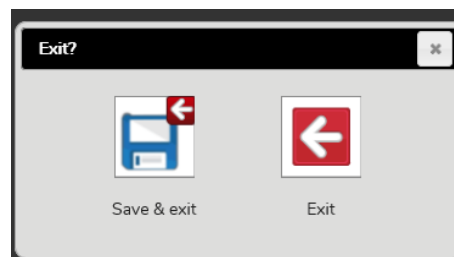

Snail Race – this task has been set for you. You can find it on your 2Dos tab on the top after you log in.

Follow the instructions on the video and make sure you watch the full video carefully. Once you have completed each individual task, a 'next challenge' arrow will pop up at the top. Click this and it will take you to the tutorial video for the next video.

After you complete all the tasks, click on the  on the top right corner. This will give you an option to save & exit or exit. Please save and exit and leave me a message to let me know how you get on.

Hope you are all well and staying safe!
Miss Lungu 😊
