

## The Oak National Academy - Online Learning

Oak National Academy is a new collection of high-quality lessons and online resources. Backed by the Government, it has been created in response to the coronavirus lockdown.

Their online classroom offers free access to great teachers, delivering video lessons, quizzes and worksheets. Available for both primary and secondary levels, it covers a range of subjects. All of the lessons are ordered so your child can learn along a clear plan. They'll provide new lessons and resources each week.

Oak National Academy will fit alongside other resources such as 'BBC Bitesize' to offer a structure for the day for children until schools fully reopen.

These resources are available on any device, including: mobiles, tablets and laptops. There is no log in or registration needed for any of these resources.

### How it works?

Each Oak National Academy lesson will be an hour long, with elements such as a quiz, a video explanation from the teacher and a worksheet.

Each lesson has been created by a subject expert in a careful plan. Teachers will let pupils know how they can best use these resources.

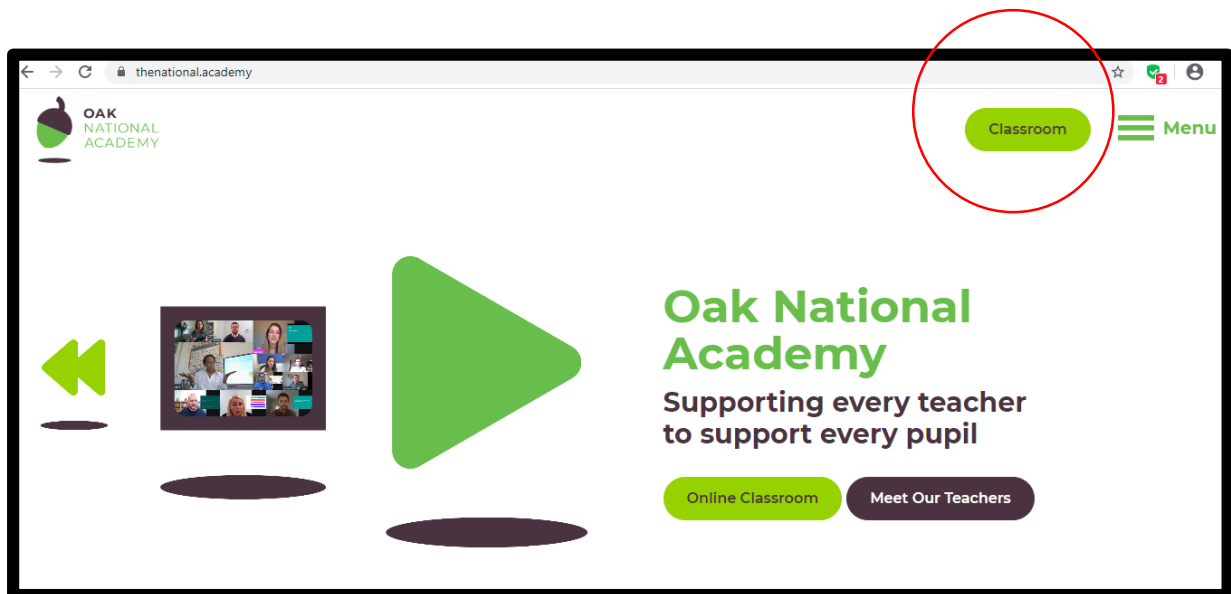

### Subjects Covered

- English (including phonics at EYFS and KS1)
- Maths
- Modern Foreign Languages
- Foundation (covering History, Geography and Science through a topic-based curriculum).

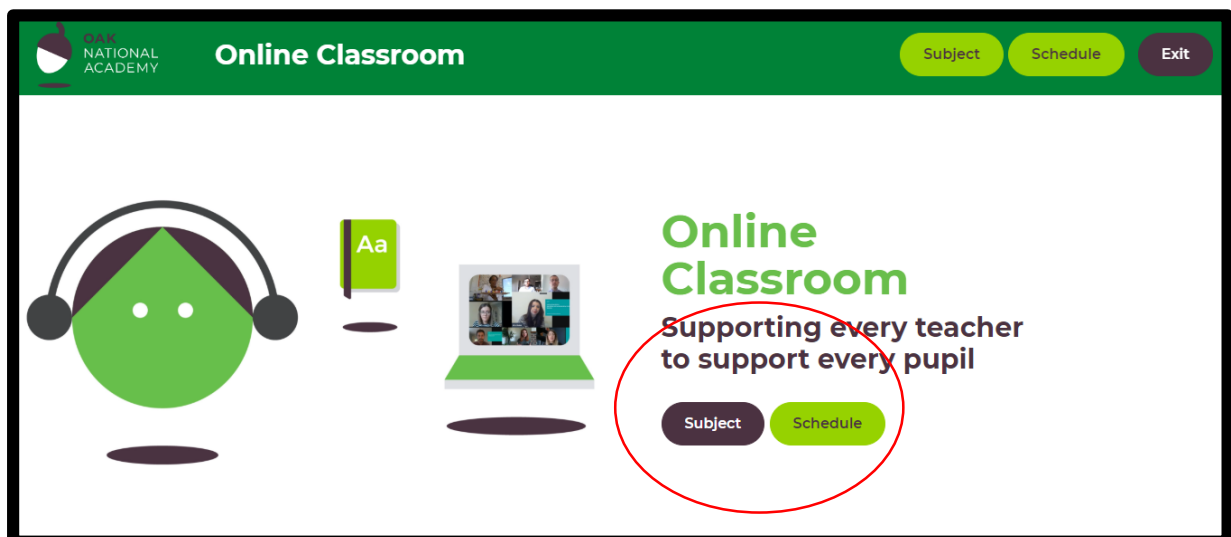

## How to access it?
