

Year 5 Home Learning - Week Commencing 27/04/2020

Hello year Five, hope you are managing to do some exercise each day to keep fit and healthy! Well done for continuing your learning at home. There are now some excellent online lessons that you can access each day at The National Oak Academy Website. Here you will find a year five teacher who will model learning, set tasks and mark alongside you. I have signposted you to them below, they include maths, English and foundation subjects. The lessons are sequential and will build on your learning each day, just like the lessons we do in class! It would be fantastic if you could do maths and English each day. This week, I have also chosen a Science and Art lesson, which are fun and informative.

Another very good website is 'The Bitesize website,' which has now expanded to offer additional help for students and their parents. New Maths and English lessons will be available every day for all ages. These will be created with resources from Bitesize, other parts of the BBC and other education providers. The content of these lessons will be backed up by new videos, practice tests, educational games and articles. Regular lessons on other core subjects, including science, will also be available. Mums and dads can get advice on how to teach anyone who is home-schooling and the Bitesize website will also have guides for pupils with SEN (special educational needs).

<https://www.bbc.co.uk/bitesize/articles/zn9447h>

You can also continue with your times tables, reading and spelling. Remember to continue to use the useful links. Keep up the good work and remember the importance of our values which bind us together.

Oak National Academy <https://www.thenational.academy>

Parents/carers, this will take you to the curriculum map which will give you an overview of learning . <https://www.thenational.academy/wp-content/uploads/2020/04/OAK-Curriculum-overview-week-1-1.pdf>

The website launched on the 20th April which is week one and where this week's learning is. Because we are only just introducing this and it sequential, just like class teaching, it is best to start at week one.

Go to website <https://www.thenational.academy>

Click Online Classroom

Click Schedule (start at week one)

Click Year Five

Click Day of week

Click subject

Click Start Lesson

Then, it is really easy to follow teaching.

Maths

Activity	Resource	Helpful Links/Websites
Times Tables	Continue to test your TT! Complete the challenges on the websites and in your tables pack.	www.trockstars.com also available as a free app. www.theschoolrun.com lots of fun activities www.purplemash.com Remember to use your maths book too!
Maths Puzzles	Resources attached	Have fun trying some more puzzles with others in your family! Four by Four, Three Digits, Make Five Numbers.
Maths	Translations	https://www.thenational.academy An Introduction to Translations Describing Translations Describing Positions and Coordinates Describe position after Translations Five lessons – 1 hour each

English

Activity	Worksheets Included	Helpful Links/Websites
Weekly Spellings	You have your word lists and spelling rules in your packs. Sufficient, suggest, symbol, system, temperature, thorough, twelfth, variety, vegetable, vehicle, yacht	www.purplemash.com Learn the next 10 words from your list in your home pack , linking to spelling rules, suffixes, prefixes and play the games we play in class too! (Such as finding words within words and highlighting tricky bits)

Grammar and Punctuation	Continue with the grammar activities in your packs.	When you mark your grammar, use your writing book to make up your own sentences applying the grammar feature you found difficult, for example, relative clauses beginning with who, which, where, when, whose, that or with an implied (i.e. omitted) relative pronoun.
English	Genre Focus: Setting Description	https://www.thenational.academy Oak National Academy Five lessons – 1 hour each
Reading	Read, read, read! Books, comics, magazines. Remember you have lots of comprehensions to complete in your home pack, remember to use the PEE strategy!	If you are unsure about a word, use a dictionary online to help you.
Bug Club	Log on to keep reading if you have finished your home reading books.	www.activelearnprimary.co.uk
Science	Rock – The Structure of the Earth	https://www.thenational.academy (this lesson is week one under Wednesday) 1 Lesson (1hour)
Art	Texture treasure hunt. To identify a range of different textures and use a pencil to recreate them	https://www.thenational.academy Artist – Max Ernst Frottage (this lesson is week one under Friday) 1 Lesson (1hour)

Wellbeing

- **Keeping a gratitude diary** - each day write down some things that you are grateful for and why. This could be as small as your favourite breakfast or a member of your family. You could also use '3 Good Things' app to record daily achievements and gratitude.
- **Limit the amount of time spent on social media, games and your mobile phones.** Try to do something that can help you to relax, including: reading, sketching/drawing or listening to music with your family.
- **Listen to some relaxing music** before you go to bed to ensure a good night's sleep.
- **Have a look at our school website** for links to helpful mindfulness apps to help relax.
- **Joe Wicks PE** - every morning you could take part in some exercise. This will help to keep you active.
