

Home Learning Week 5 - Year 3 – Miss Lungu

Home Learning Week 6 - Year 3 – Miss Lungu

Literacy

- **Writing – Instructions** – Write a set of instructions teaching someone how to do something you enjoy doing. It could be playing a game, brushing your teeth, making something to eat such as a sandwich or how to draw an animal – it is up to you. Remember to use all the features you learnt in Year 2.

You need to include: a title, a short introduction to tell the reader what they are learning to do, a list of things that they need, a picture/drawing of what the finished product should look like and finally, the instructions. Your instructions need to be short and clear. Include **time conjunctions** such as firstly, secondly, then, next and finally so that your instructions flow and **imperative (bossy) verbs** such as eat, tidy, put and go so the reader knows exactly what to do.

I have made one as an example for you.

- **Spellings and handwriting** - Choose 10 different spellings from your home learning pack to learn. On the sheet, copy the word out three times in your best handwriting. On the back of your sheet challenge yourself and write a sentence for each word!
- **Reading** – Use Active Learn to read the books that have been set for you. 4 or 5 pages are enough to read a day. Retell the story so far to an adult or older sibling. Remember to complete the quizzes once you complete a book.

Numeracy

- **Times tables-** Practice your times tables using the songs we enjoyed singing and dancing along to in class.
3 - <https://www.youtube.com/watch?v=dzVyBQ5uTbo>
4- <https://www.bbc.co.uk/teach/super movers/ks1-maths-the-4-times-table-with-cyril-the-swan/zmsw382>
6- <https://www.bbc.co.uk/teach/super movers/ks2-maths-the-6-times-table-with-fred-the-red/zrq3xyc>
8- <https://www.bbc.co.uk/teach/super movers/ks2-maths-the-8-times-table-with-filbert-fox/z4mrhbk>
<https://www.topmarks.co.uk/maths-games/hit-the-button>

If you feel that you are confident with these times tables, use Times **Tables Rock Stars** to practice your **7,9,11 and 12s**.

- **Money** – Find as many different coins as you can around the house. Do you know the value of all these coins? Once you have named all the coins, find as many different ways as you can to make 27p, 73p then £1.16. For example, to make 27p you can use a 20p + 5p + 2p.

Sally says 'To make 73p I can use a 50p, a 20p and a 3p'. Is Sally right or wrong? Explain why.

Computing

Turtle – this task has been set for you. You can find it on your 2Dos tab on the top after you log in.

History

Research –Unfortunately, we didn't get the chance to finish learning all about the Romans. I would like you to research about Roman soldiers and the Roman army. What did they wear? What tasks did they have to do? What equipment did they have to carry? Could anyone join the army and become a Roman soldier? Write a short paragraph about what you have found out from your research.

Here are some useful websites:

https://kids.kiddle.co/Roman_army

<http://primaryhomeworkhelp.co.uk/romans/soldiers.html>

PE

Under the Home Learning tab, there will be a 'Physical Activity Programme' link. On this link, you will find a variety of activities provided by West Lancashire Sports Partnership for your child to try. Why not follow them on Facebook so that you can be kept up to date with their activities and challenges.

Remember, Joe Wicks also has live daily exercise routines at 9am on Youtube.

Parents/carers – feel free to take pictures of **any** work that your children have done and email them to me. I would love to see it!

Stay safe and take care!

Miss Lungu 😊
