

## Reception Class Home Learning ideas

Hello again to my amazing Reception class! I hope you are all ok and enjoying the time with your families. I am looking forward to seeing you all soon and missing you all lots! Parents please do not panic we will help your child/children catch up with learning as soon as possible when they are back at school. If you need to speak to me about anything I will be available on the school phone all this week.

This week the school would like you to continue to use the Oak Academy learning platform. It has a range of lessons with on online tutorial video for you to access.

Alongside this we would also recommend BBC Bitesize that has a range of interactive games and lessons for all subjects. The phonics part can be found under the KS1 heading and I would recommend the children working on Phases 2 and 3.

## ICT

Reception now have a 'wonderful work wall' on Purple mash. Log on using your password and user name given out in your home learning packs. On there is a range of activities I have set you to complete along with a range of games and activities that you can choose to complete as well. Once you have completed one I will write you a little comment and then post it on Reception's wonderful work wall. If you have lost your user name or password, please ring the school and we will be able to give it you again. <https://www.purplemash.com/login/>

We also have an appreciation wall for the NHS and Key workers so if you would like to make a picture we will display it on the wall.

## Other

- Join in with Joe Wicks PE video 9am each morning
- There is also a PE link for Reception in our home learning area on the website
