

Year 6 Home Learning - Week Commencing 04/05/2020

Hello everyone,

I hope you are all keeping well and are keeping safe. This week, I would like you to continue using the 'Oak National Academy' to access weekly online lessons. I hope you are all remembering to read, whether it be on Bug Club, your reading books, comics, newspapers or online articles. Remember that reading is important and is needed in all aspects of life!

National Oak Assemblies

<https://www.thenational.academy/assembly>

The ONA are also delivering weekly assemblies for all children. They will include special guests and inspirational speakers which might help you through this difficult time.

This week, I have also included links to recent History, Art, Spanish and Science lessons that Year 6 would have covered this year. They are informative and interactive, so have a go!

Thank you to those who have been submitting work on purple mash! I have loved looking at your poems, information leaflets and geography quizzes! There is still time to submit yours! I will be posting the best ones to our class display boards on Purple Mash for you all to see. To access these, use the following link.

If you have any questions at all, please don't hesitate to contact me through the school. The children are also able to contact me through Purple Mash email if they have any questions about the work.

Thankyou

Miss Mills

Wellbeing

- **Keeping a gratitude diary** - each day write down some things that you are grateful for and why. This could be as small as your favourite breakfast or a member of your family. You could also use '3 Good Things' app to record daily achievements and gratitude.
- **Limit the amount of time spent on social media, games and your mobile phones.** Try to do something that can help you to relax, including: reading, sketching/drawing or listening to music with your family.
- **Listen to some relaxing music** before you go to bed to ensure a good night's sleep.
- **Have a look at our school website** for links to helpful mindfulness apps to help relax.
- **Joe Wicks PE** - every morning you could take part in some exercise. This will help to keep you active.
