

Home Learning Week 5 - Year 3 – Miss Lungu

Home Learning Week 8 - Year 3 – Miss Lungu

Literacy

▪ **Writing – Letter writing**

I would like you to write a letter to me. I would like your letter to tell me what you have been doing the past 10 weeks. Have you enjoyed being off school? How do you feel? What are you most looking forward to about being in school?

Use paragraphs to separate your information.

- **Spellings and handwriting** - Choose 10 different spellings from your home learning pack to learn. On the sheet, copy the word out three times in your best handwriting. On the back of your sheet challenge yourself and write a sentence for each word!
- **Reading** – Use Active Learn to read the books that have been set for you. 4 or 5 pages are enough to read a day. Retell the story so far to an adult or older sibling. Remember to complete the quizzes once you complete a book.

Numeracy

- **Times tables**- Practice your times tables using the songs we enjoyed singing and dancing along to in class.

3 - <https://www.youtube.com/watch?v=dzVyBQ5uTbo>

4- <https://www.bbc.co.uk/teach/super movers/ks1-maths-the-4-times-table-with-cyril-the-swan/zmsw382>

6- <https://www.bbc.co.uk/teach/super movers/ks2-maths-the-6-times-table-with-fred-the-red/zrq3xyc>

8- <https://www.bbc.co.uk/teach/super movers/ks2-maths-the-8-times-table-with-filbert-fox/z4mrhbk>
<https://www.topmarks.co.uk/maths-games/hit-the-button>

If you feel that you are confident with these times tables, use Times **Tables Rock Stars** to practice your **7,9,11 and 12s**.

- **Properties of shapes**

How many 2D shapes can you name?

To start this topic off, I would like you to do a 2D shape hunt around your home. How many different shapes can you find? For example, my television is the shape of a rectangle and my mirror is the shape of a circle. Find a many as you can.

Computing

Guard the Castle – this task has been set for you. You can find it on your 2Dos tab on the top after you log in.

History

Research – Julius Caesar. I would like you to research about this significant person. Who was he? Why did he play such an important role in the Roman army? After you have completed your research, do you think he was a good leader? Why?

Science

Animals including humans – This week, you are going to learn about skeletons. Tell an adult what you think the purpose of the skeleton is.

Animals can be classified as either vertebrate or invertebrate. Find out the meaning of each of these terms and give two examples of animals for each word. Skeletons are split into three categories: endoskeleton, exoskeleton and hydrostatic skeleton. Can you find the meaning of each of these terms and give an example?

PE

Under the Home Learning tab, there will be a 'Physical Activity Programme' link. On this link, you will find a variety of activities provided by West Lancashire Sports Partnership for your child to try. Why not follow them on Facebook so that you can be kept up to date with their activities and challenges.

Remember, Joe Wicks also has live daily exercise routines at 9am on Youtube.

Parents/carers – feel free to take pictures of **any** work that your children have done and email them to me. I would love to see it!

Stay safe and take care!

Miss Lungu 😊
