

Home Learning Week 5 - Year 3 – Miss Lungu

Home Learning Week 11 - Year 3 – Miss Lungu

Literacy

- **Writing** – Write a letter to Mrs. Russell telling her about yourself so she knows you well for next year when you are in Year 4. Include information about yourself such as your birthday, your family and any hobbies that you have. Let her know what your favourite subjects are, what your least favourite subjects are and what you would like to improve or work on most next year.
- **Spellings and handwriting** - Choose 10 different spellings from your home learning pack to learn. On the sheet, copy the word out three times in your best handwriting. On the back of your sheet challenge yourself and write a sentence for each word!
- **Reading** – Use Active Learn to read the books that have been set for you. 4 or 5 pages are enough to read a day. Retell the story so far to an adult or older sibling. Remember to complete the quizzes once you complete a book.
Why not try this years Summer Reading Challenge - <https://summerreadingchallenge.org.uk/>

Numeracy

- **Times tables**- Practice your times tables using the songs we enjoyed singing and dancing along to in class.
3 - <https://www.youtube.com/watch?v=dzVyBQ5uTbo>
4- <https://www.bbc.co.uk/teach/supermovers/ks1-maths-the-4-times-table-with-cyril-the-swan/zmsw382>
6- <https://www.bbc.co.uk/teach/supermovers/ks2-maths-the-6-times-table-with-fred-the-red/zrq3xyc>
8- <https://www.bbc.co.uk/teach/supermovers/ks2-maths-the-8-times-table-with-filbert-fox/z4mrhbk>
<https://www.topmarks.co.uk/maths-games/hit-the-button>
If you feel that you are confident with these times tables, use Times **Tables Rock Stars** to practice your **7,9,11 and 12s**.

The Oak National Academy

From this week, we will be using the Oak National Academy for our maths learning. The teaching is sequential so it is best to start at lesson one and work your way through the lessons. For the next two weeks, we will be looking at angles and shapes. Click the following link <https://classroom.thenational.academy/subjects-by-year/year-3/subjects/maths> , select angles and shapes on the 'Filter by topics' drop down and this will come up with the sequence of lessons.

Computing

Tick tock clock challenge – this task has been set for you. You can find it on your 2Dos tab on the top after you log in.

PE

Under the Home Learning tab, there will be a 'Physical Activity Programme' link. On this link, you will find a variety of activities provided by West Lancashire Sports Partnership for your child to try. Why not follow them on Facebook so that you can be kept up to date with their activities and challenges.

Remember, Joe Wicks also has live daily exercise routines at 9am on Youtube.

Parents/carers – feel free to take pictures of **any** work that your children have done and email them to me. I would love to see it!

Stay safe and take care!

Miss Lungu 😊
