

Reception Class Home Learning ideas

Hello again to my amazing Reception class! If you are not back at school, I hope you are all well. If you need to speak to me about anything my email address is:

ajameson@moorside-academy.co.uk

This week the school would like you to continue to use the Oak Academy learning platform. It has a range of lessons with an online tutorial video for you to access.

Alongside this we would also recommend BBC Bitesize that has a range of interactive games and lessons for all subjects. The phonics part can be found under the KS1 heading and I would recommend the children working on Phases 2 and 3.

For the next 5 weeks I will be setting challenges for home learning linked to what we are doing in school that week. This week we are focusing on recapping previous skills that are really important to help us continue our learning.

Maths Recap

- Counting from 0-20 and beyond if possible
- Counting backwards from 20-0
- Recognising numbers to 20 and beyond.
- Recognising 2D shapes- triangle, circle, square, rectangle, pentagon and hexagon
- Recognising 3D shapes- cube, cuboid, cylinder, sphere and cone.
- Simple addition- adding two numbers together below 10. $2+4=$ $7+3=$ $6+1=$ $9+0=$ etc- Ask children to use objects such as pasta or mini toys to help them count and add the two numbers together and then ask the children to use their fingers to add on.
- 2x tables

Literacy extra ideas

- Phonics flash cards (in pack sent home)
- Read on the active learn website (links and usernames in packs)
- Recapping writing your name (move on to surname if can write name with ease)
- Read and write tricky words- the, to, and, he, she, I, we, me, be, to, for
- Write a list of your choice for a picnic, party, shopping, toys etc.
- Write a sentence about what you have done at the weekend and draw a picture.
