

Reception Class Home Learning ideas

Hello again to my amazing Reception class! If you are not back at school, I hope you are all well. If you need to speak to me about anything please call the school or my email address is:

ajameson@moorside-academy.co.uk

This week the school would like you to continue to use the Oak Academy learning platform. It has a range of lessons with an online tutorial video for you to access.

Alongside this we would also recommend BBC Bitesize that has a range of interactive games and lessons for all subjects. The phonics part can be found under the KS1 heading and I would recommend the children working on Phases 2 and 3.

For the next 5 weeks I will be setting challenges for home learning linked to what we are doing in school that week. This week we are focusing on recapping previous skills that are really important to help us continue our learning.

Maths Recap

- Simple subtraction- taking away two one digit numbers. E.g $7-3=$ $5-1=$ $10-5=$ $4-4=$
- Recap numbers to 20 everyday- putting them in order, stating what is one more/ one less than a number and recognising them.
- 2x tables- counting in twos – you can do this with objects also.
- Recap number formation- writing numbers correctly and the right way around.

Literacy extra ideas

- Phonics flash cards (in pack sent home)
- Read on the active learn website (links and usernames in packs) Please email me if you need new books allocating.
- Recapping writing your name (move on to surname if can write name with ease)
- Read and write tricky words- the, to, and, he, she, I, we, me, be, to, for
- Write a sentence about your weekend. Include finger spaces and a full stop.
- Amazing adjectives- can you describe an object in your house- bumpy, sparkly, delicious, rough, red and round etc. Can you write these down.
