

Reception Class Home Learning ideas

Hello again to my amazing Reception class! I hope you are all ok and enjoying the time with your families. I am looking forward to seeing you all soon and missing you all lots! It has been lovely to receive emails and photos of your work this week. Keep them coming! Parents please do not panic we will help your child/children catch up with learning as soon as possible when they are back at school. If you need to speak to me about anything my email address is:

ajameson@moorside-academy.co.uk

This week the school would like you to continue to use the Oak Academy learning platform. It has a range of lessons with an online tutorial video for you to access.

<https://www.thenational.academy/online-classroom>

Alongside this we would also recommend BBC Bitesize that has a range of interactive games and lessons for all subjects. The phonics part can be found under the KS1 heading and I would recommend the children working on Phases 2 and 3.

<https://www.bbc.co.uk/bitesize/levels/z3g4d2p>

Maths extra ideas

- Youtube- number blocks
- YouTube- number jacks
- Can you choose a number from 0-20 and say what is one more/ one less than that number?
- Can you choose two numbers between 0-10 and add them together?
- How many ways can you make 10 using number bonds such as 5+5/ 7+3
- Can you write numbers in the correct order to 20?
- Can you write numbers 0-20 and then underline the numbers in the 2x table?
- Can you put the days of the week in to the correct order?
- <https://www.twinkl.co.uk/resources/home-early-years> - lots of maths games and work-
- <https://www.twinkl.co.uk/resource/t-n-5587-addition-and-subtraction-number-sentences-for-number-bonds-to-20-number-cards>- here are some addition flash cards to use as a game.
- <https://www.bbc.co.uk/bitesize/subjects/zjxhfg8>
- **This week's challenge is to find something:**
 - Bigger than your hand
 - Smaller than your leg
 - The same size as your finger
 - Smaller than your foot
 - The same size as your shoe
 - Taller than you

Literacy extra ideas

- Phonics flash cards (in pack sent home)
- Can you write a letter to me to read about what you would like to do on your first week back at school?
- Can you read a book and write a book review about it?
- Continue to write your name each day and begin to practise writing your surname.
- Can you write down a list of things you would take on a picnic?
- Can you tell a made up story?
- Read on the active learn website (links and usernames in packs)

Have a go at the talk for writing Reception pack aimed to help develop children's speaking, listening, reading and writing!

<https://www.talk4writing.com/wp-content/uploads/2020/05/R-Mouse.pdf>

CHALLENGE New Book of the Week! – Watch/ read the story of The Hungry Caterpillar on YouTube or if you have it at home.

QUIZ TIME

- Where was the setting of the story?
- What did the caterpillar eat first?
- What did the Caterpillar hatch out of?
- Where was the egg sitting?
- What fruit did the caterpillar eat?
- What did the caterpillar eat on Wednesday?
- Why did the caterpillar feel sick?
- What did the caterpillar turn in to at the end of the story?

ICT

Reception now have a 'wonderful work wall' on Purple mash. Log on using your password and user name given out in your home learning packs. On there is a range of activities I have set you to complete along with a range of games and activities that you can choose to complete as well. Once you have completed one I will write you a little comment and then post it on Reception's wonderful work wall. If you have lost your user name or password, please ring the school and we will be able to give it you again. <https://www.purplemash.com/login/>

We also have an appreciation wall for the NHS and Key workers so if you would like to make a picture we will display it on the wall.

Other

- Join in with Joe Wicks PE video 9am each morning
- There is also a PE link for Reception in our home learning area on the website
- YouTube- cosmic yoga

Scavenger hunt- Material Challenge

In the fastest time, can you find:

- Something that is made from metal
- Something that is made of plastic
- Something that is made from paper
- Something that is made from rock
- Something that is made from rubber
- Something that is made from glass
- Something that is made from brick

Creative challenge

Can you make your own natural materials picture using things you have collected safely from the outdoors such as leaves, sticks, flowers and grass?

I would love to see some photos of any of the activities or creations if you would like to email me. I will respond to all emails.

Keep safe everyone

Lots of love

Mrs Jameson x
