

## Year 5 Home Learning - Week Commencing 15/06/2020

Hello year Five, hope you're all well and have been getting some exercise, fresh air and are enjoying family time. I'm looking forward to seeing some of you this week and I am sure it won't be long until you are all back in school. Meanwhile, remember there are some lovely lessons on The National Oak Academy Website. It would be fantastic if you could continue with maths and English each day. The lessons for this week can be accessed in week **seven**, as we started a week later than the launch and have also had the scheduled school holidays in between. The maths continues with decimals moving onto multiplying them. The writing focus is non - chronological reports which we were going to do in class, so well worth doing this!

I have attached a well being questionnaire for you to do at home with your parents, it will give you a chance to reflect and think about how you can perhaps introduce new aspects into your day, to make sure you have a healthy mind.

The science focus moves on to Electricity, it's a super lesson about static electricity, ever rubbed a balloon on your hair!? Keep fit with Joe and have a look at this week's Assembly which is about 'Togetherness'. There are also some really nice lessons about Buddhism on the Oak Website which involve lots of meditation, I think you'll really like learning about The Dalai Lama who promotes world-wide peace.

I have also attached a PSHCE link to a great website where you will find stories, games and quizzes all about valuing and saving money.  
<https://www.valuesmoneyandme.co.uk/>

If you are finding your year group too challenging (on Oak Academy) in a particular subject, you could choose to have a go at the previous year group)

'The Bitesize website,' has now expanded to offer additional help for children and their parents. New Maths and English lessons will be available every day for all ages. These will be created with resources from Bitesize, other parts of the BBC and other education providers. The content of these lessons will be backed up by new videos, practice

tests, educational games and articles. Regular lessons on other core subjects, including science, will also be available. Mums and dads can get advice on how to teach anyone who is home-schooling and the Bitesize website will also have guides for children with SEN (special educational needs). <https://www.bbc.co.uk/bitesize/articles/zn9447h>

Here is another very good resources.

<https://classroomsecrets.co.uk/free-home-learning-packs/>

Remember to use all the excellent resources to build on your fantastic knowledge and skills!

You can also continue with your times tables, reading and spelling. Remember to continue to use the useful links. Keep up the good work and remember the importance of our values which bind us together.

Oak National Academy <https://www.thenational.academy>

Parents/carers, this will take you to the curriculum map which will give you an overview of learning. <https://www.thenational.academy/wp-content/uploads/2020/04/OAK-Curriculum-overview-week-1-1.pdf>

The website launched on the 20<sup>th</sup> April which was week one and where the first weeks learning is. Because teaching is sequential, it is best to start at week one then continues to follow that sequence, **it is week 7 this week.**

Go to website <https://www.thenational.academy>

Click Online Classroom

Click Schedule

Click Year Five (start at week one and then move on to three etc)

Click Day of week

Click subject

Click Start Lesson

Then, it is really easy to follow teaching.

## **Maths**

<b><u>Activity</u></b>	<b><u>Focus and Resource</u></b>	<b><u>Helpful Links/Websites</u></b>
------------------------	----------------------------------	--------------------------------------

<b>Times Tables</b>	Continue to test your TT! Complete the challenges on the websites and in your tables pack.	<a href="http://www.trockstars.com">www.trockstars.com</a> also available as a free app.  <a href="http://www.theschoolrun.com">www.theschoolrun.com</a> lots of fun activities  <a href="http://www.purplemash.com">www.purplemash.com</a>  Remember to use your maths book too!
<b>Maths</b>	Decimals	<a href="https://www.thenational.academy">https://www.thenational.academy</a> To solve problems involving decimals. To investigate multiplying decimals. To multiply decimals by whole numbers. To multiply decimals using a formal written method. To use a range of multiplication strategies involving decimals. Five lessons – 1 hour each <b>wk7</b>

## English

<u>Activity</u>	<u>Worksheets Included</u>	<u>Helpful Links/Websites</u>
<b>Weekly Spellings</b>	We have worked our way through the spellings on the year 5/6 statutory word list so I have attached a <b>New</b> resource so you can begin looking at spelling rules in more detail.	<a href="http://www.purplemash.com">www.purplemash.com</a>  Learn the words from your <b>new list</b> , which explore endings 'able', 'ible', 'ably' and 'ibly'. If you are not sure of meaning, check in a dictionary. Possible, possibly, horrible, horribly, terrible, terribly considerable, considerably, adorable and adorably.
<b>Grammar and Punctuation</b>	Continue with the grammar activities in your packs.	When you mark your grammar, use your writing book to make up your own sentences applying the grammar feature you found difficult, for example, relative clauses beginning with who, which, where, when, whose, that or with an implied (i.e. omitted) relative pronoun. <b>Each week there is a Grammar lesson within the Oak Academy resources.</b>
<b>English</b>	Genre Focus: Non - Chronological Report.	<a href="https://www.thenational.academy">https://www.thenational.academy</a> Reading Comprehension – Word meaning. Reading Comprehension – Word meaning and fact retrieval. Identifying the Features of a text. Spelling and Grammar – Modal Verbs. Write a non chronological Report. Five lessons – 1 hour each <b>wk7</b>
<b>Reading</b>	Read, read, read! Books, comics, magazines. Remember you have lots of comprehensions to complete in your home pack, remember to use the PEE strategy!	If you are unsure about a word, use a dictionary online to help you.

<b>Bug Club</b>	Log on to keep reading if you have finished your home reading books.	<a href="http://www.activelearnprimary.co.uk">www.activelearnprimary.co.uk</a>
<b>Science</b>	Electricity – What is Static Electricity?	<a href="https://www.thenational.academy">https://www.thenational.academy</a> Explore Electricity (this lesson is week <b>seven</b> <b>under</b> <b>Wednesday</b> ) 1 Lesson (1hour)
<b>Cultural</b>	Buddhism	Monday – What is life like inside a Buddhist Monastery? Thursday – Who is the Dalai Lama? Learn about the origins of meditation and finding peace!
<b>PHSCE</b>	Valuing and Saving Money.	<a href="https://www.valuesmoneyandme.co.uk/">https://www.valuesmoneyandme.co.uk/</a> There are lots of great stories, games and quizzes here such as how you can save electricity in the different rooms in your house!

## Wellbeing

- **Keeping a gratitude diary** - each day write down some things that you are grateful for and why. This could be as small as your favourite breakfast or a member of your family. You could also use '3 Good Things' app to record daily achievements and gratitude.
- **Limit the amount of time spent on social media, games and your mobile phones.** Try to do something that can help you to relax, including: reading, sketching/drawing or listening to music with your family.
- **Listen to some relaxing music** before you go to bed to ensure a good night's sleep.
- **Have a look at our school website** for links to helpful mindfulness apps to help relax.
- **Joe Wicks PE** - every morning you could take part in some exercise. This will help to keep you active.  
<https://www.youtube.com/channel/UCAxW1XT0iEJo0TYIRfn6rYQ>
- Joe is also on the Oak Academy too.
