

Year 5 Home Learning - Week Commencing 29/06/2020

Hello year Five, hope you're all well and have been getting some exercise, fresh air and are enjoying family time. It was lovely to see some of you back in school this week, I am sure it won't be long until you are all back in school. Meanwhile, remember there are some lovely lessons on The National Oak Academy Website. It would be fantastic if you could continue with maths and English each day. The lessons for this week can be accessed in week **eight** as we started a week later than the launch and have also had the scheduled school holidays in between. The maths this week focuses again on decimals, moving onto multiplying them. The writing focus is a balanced argument.

I have attached a well-being questionnaire for you to do at home with your parents, it will give you a chance to reflect and think about how you can perhaps introduce new aspects into your day, to make sure you have a healthy mind.

The science focus continues with Electricity, learn about the different components in an electrical circuit. Keep fit with Joe and have a look at this week's Assembly which is about 'Kindness'. There are also some really nice lessons about Buddhism on the Oak Website which involve lots of meditation, I think you'll really like learning about The Dalai Lama who promotes world- wide peace.

I have also attached a PSHCE link to a great website where you will find stories, games and quizzes all about valuing and saving money.
<https://www.valuesmoneyandme.co.uk/>

If you are finding your year group too challenging (on Oak Academy) in a particular subject, you could choose to have a go at the previous year group.

'The Bitesize website,' has now expanded to offer additional help for children and their parents. New Maths and English lessons will be available every day for all ages. These will be created with resources from Bitesize, other parts of the BBC and other education providers. The content of these lessons will be backed up by new videos, practice tests, educational games and articles. Regular lessons on other core subjects, including science, will also be available. Mums and dads can

get advice on how to teach anyone who is home-schooling and the Bitesize website will also have guides for children with SEN (special educational needs). <https://www.bbc.co.uk/bitesize/articles/zn9447h>

Here is another very good resources.

<https://classroomsecrets.co.uk/free-home-learning-packs/>

Remember to use all the excellent resources to build on your fantastic knowledge and skills!

You can also continue with your times tables, reading and spelling. Remember to continue to use the useful links. Keep up the good work and remember the importance of our values which bind us together.

Oak National Academy <https://www.thenational.academy>

Parents/carers, this will take you to the curriculum map which will give you an overview of learning. <https://www.thenational.academy/wp-content/uploads/2020/04/OAK-Curriculum-overview-week-1-1.pdf>

The website launched on the 20th April which was week one and where the first weeks learning is. Because teaching is sequential, it is best to start at week one then continues to follow that sequence, we are on **week 8 this week**, but remember you can pick up where you left off!

Go to website <https://www.thenational.academy>

Click Online Classroom

Click Schedule

Click Year Five (start at week one and then move on to three etc)

Click Day of week

Click subject

Click Start Lesson

Then, it is really easy to follow teaching.

Maths

Activity	Focus and Resource	Helpful Links/Websites
Times Tables	Continue to test your TT! Complete the challenges on the websites and in your tables pack.	www.trockstars.com also available as a free app. www.theschoolrun.com lots of fun activities www.purplemash.com Remember to use your maths book too!

To solve two by three-digit multiplication To use a range of multiplication strategies involving decimals. Five lessons – 1 hour each wk8

English

Activity	Worksheets Included	Helpful Links/Websites
Weekly Spellings	We have worked our way through the spellings on the year 5/6 statutory word list so I have attached a New resource so you can begin looking at spelling rules in more detail.	www.purplemash.com Learn the words from your new list , which explore endings 'able', 'ible', 'ably' and 'ibly'. If you are not sure of meaning, check in a dictionary. Visible, visibly, incredible, incredibly, sensible, sensibly. Remember to find your own strategy to help you to learn the words that are challenging you!
Grammar and Punctuation	Continue with the grammar activities in your packs.	When you mark your grammar, use your writing book to make up your own sentences applying the grammar feature you found difficult, for example, relative clauses beginning with who, which, where, when, whose, that or with an implied (i.e. omitted) relative pronoun. Each week there is a Grammar lesson within the Oak Academy resources.
English	Genre Focus: Balanced Argument	https://www.thenational.academy Reading Comprehension – skills. Reading Comprehension – skills. Identifying the Features of a balanced. Spelling and Grammar – Adverbs of possibility. Write a Balanced Argument. Five lessons – 1 hour each wk8
Reading	Read, read, read! Books, comics, magazines. Remember you have lots of comprehensions to complete in your	If you are unsure about a word, use a dictionary online to help you.

	home pack, remember to use the PEE strategy!	
Bug Club	Log on to keep reading if you have finished your home reading books.	www.activelearnprimary.co.uk
Science	Electricity – What are the different components in an electrical circuit?	https://www.thenational.academy Explore Electricity this lesson is week eight under Wednesday) What are the different components in an electrical circuit? 1 Lesson (1hour)
Cultural	Buddhism	Monday and Thursday – To plan and write about Buddhism. Learn about the origins of meditation and finding peace!
PHSCE	Do you want to be a hero?	Would you like to work for the NHS? This lesson explores the roles of the NHS who have worked so hard to keep us safe.

Wellbeing

- **Keeping a gratitude diary** - each day write down some things that you are grateful for and why. This could be as small as your favourite breakfast or a member of your family. You could also use '3 Good Things' app to record daily achievements and gratitude.
- **Limit the amount of time spent on social media, games and your mobile phones.** Try to do something that can help you to relax, including: reading, sketching/drawing or listening to music with your family.
- **Listen to some relaxing music** before you go to bed to ensure a good night's sleep.
- **Have a look at our school website** for links to helpful mindfulness apps to help relax.
- **Joe Wicks PE** - every morning you could take part in some exercise. This will help to keep you active.
<https://www.youtube.com/channel/UCAxW1XT0iEJo0TYIRfn6rYQ>
- Joe is also on the Oak Academy too.
