

## Home Learning Year 2 Week 15

Hello again Year 2,

I am missing you all so much and I hope you are keeping safe at home ☺ Below are some activities you could complete to keep yourselves busy and your brains active! Don't forget to log in to Purple Mash and Bug Club online, I love seeing how hard you are all working at home. Here is my email if you would like to send me anything that you manage to complete- [zshimmin@moorside-academy.co.uk](mailto:zshimmin@moorside-academy.co.uk) Take care! Miss Shimmin ☺

**Literacy- Phonics** Try and continue to complete daily phonics activities during your time at home. This will help so much with your reading and writing. This can be through games such as active learn online (using log in provided in packs), reading your school book, complete a 'twinkl phonics mat' or online apps such as phonics play and alphablocks. Happy Reading!

**Spellings** I hope you all enjoyed learning about homophones last week. This week I would like you all to learn about the spelling rule -le. These letters make the 'l' sound and the 'e' is a silent letter. Here are some examples: **table**      **apple**      **bottle**      **little**      **middle**

Try and put these words into a sentence or maybe write them out as many times as you can. Have fun spelling.

### **Numeracy- Times tables**

Try and continue to practise your 2, 5 and 10 times tables. This can be accessed through timestable rockstars. Numbots can also be accessed through this using your child's timetable rockstar username and password.

<https://www.timestables.co.uk/times-tables-grid/>. Have a go at practising your 3 times tables too. Remember this will help when you are a big junior in Year 3. Here are the numberjacks to help you too!

<https://www.youtube.com/watch?v=1OPTfVcoCO4>

**Reasoning-** Here are some problem solving questions that you can complete to get you ready for Year 3!

- 1) Write these numbers in order, starting with the smallest- 184    148    814    144
- 2) Write the missing numbers \_\_\_\_, 36, 32, 28, \_\_\_\_, 20
- 3) Holly and Jason play a game. Holly scores 80 points. Jason scores 38 points. How many more points does Holly score than Jason?
- 4)  $16 + 4 + 4 =$
- 5)  $503 - 100 =$

### **Purple Mash**

Log into Purple Mash using the log in from your home learning pack and complete this week to do tasks.

- 1) Reflections - Art
- 2) 2Animate - Make a scene about your time at home!

### **Free access to home learning websites ☺**

Here are two websites where you can choose any subject that you wish to learn about and access a daily lesson or virtual session on these. Here you will find a Year 2 teacher who will model learning, set tasks and mark alongside you.

<https://www.bbc.co.uk/bitesize/dailylessons>

<https://www.thenational.academy/online-classroom/year-2#subjects>

### **Don't Forget There's A Summer Reading Challenge!**

This amazing creative writing competition is back for an incredible 10th year. If you like writing stories and fancy winning some awesome prizes, this is the competition for you! What is the Summer Reading Challenge?

The Summer Reading Challenge takes place every year during the summer holidays.

[summerreadingchallenge.org.uk](http://summerreadingchallenge.org.uk)

### **PE and Mindfulness**

Don't forget there are a range of activities set up by our schools 'Sports Partnership' on our main school website page. Get a piece of plain card or paper. Then place one hand on the paper and trace around it. Notice how the pencil feels along your fingers. Think about your emotions and begin to draw inside your outlined hand on the paper. Draw a different design in each finger to represent the different emotions you are feeling.
