19th October 2020

Dear Parents,

Thank you once again for all your continued support, it really is very much appreciated. Please see below our plans should home-learning need to be reintroduced, either for a short or longer period of time.

As you will be aware, children **have** to stay at home while waiting for COVID test results, either for themselves or for a member of their family. We will provide Home Learning for these children from their first day of absence.

There will also be work available for when a 'bubble bursts' due to a child/member of staff tests positive for COVID-19, should it be appropriate for them to complete this. It may be that you or they are poorly, so please only complete this if/when you feel they are able to do so.

The work will be in the following forms;

- '**Oak National Academy**'. You may remember that The Department for Education set up '**Oak National Academy**,' an online learning platform for all, during lockdown. There is no log-on required. You will need to follow these links;

- o Google 'Oak Academy' or click through to <https://www.thenational.academy/>
- o Go to 'Pupils Lessons'
- o Go to 'Schedule'
- o Go to 'Your child's year group'
- o Go to 'The day of the week'
- o Here you will find daily lessons in English, maths and another subject each day.

- As well as this, the children should be reading as much as possible and practising their times tables on '**Times Table Rock Stars**.'

- **Work will be posted home** to your child from school with enough work in the pack for two weeks.

'Lighting the Flame of Learning'

PEACE COMMUNITY HAPPY INCLUSION

LEARNING NURTURE RESILIENCE RESPECT CHALLENGE

-Work will also be added to your child's class on our **website** – <https://www.moorside-academy.co.uk> and on **Purple Mash** – <https://www.purplemash.com>.

At the moment, absences as a result of waiting for results seem to be around 2/3 days. If a positive result comes back then isolation is necessary, if not your child may return to school if they are feeling better. Please contact school IMMEDIATELY if anyone in your household tests positive.

Should anything change or there be any updates, I will let you know.

Thanks again.

Take care,

Mr Davis
