Hi Parents and Guardians,

Welcome to **Class Dojo**, Moorside's online learning platform. This is where the children can access the video content of their online learning. To ensure you have the access that you need for this, you will need to download the Class Dojo app and allow notifications. (Follow the link on the email you have received from Class Dojo when the class teacher set you up).

On the Class Dojo homepage (app), simply click on the 'stories' icon to see the link to a timetable. A new timetable for your class will appear on Class Dojo from Monday morning of each week. When you click on the image or icon on this timetable, you will be taken straight to the video lesson.

You will receive a work pack through the post which contains work sheets to accompany each video lesson. The worksheets are clearly labelled to identify which day and lesson they go with. These worksheets will only make sense if you complete them alongside the correct video lesson. (The Reception class pack may differ from this as their work is more practical).

As this online learning platform is new to us all, if you have any questions please email your class teacher who will do their best to help you.

Thank you for your continued support.
