Big Questions

1	How was the sea created?	
2	What would the world be like without an ocean?	
3	What will happen if people keep polluting the oceans?	
4	How has the seaside changed from the past?	

Vocabulary

	Tier 2	Tier 3	
	Weather	Seaside	
	Sand	Rock pool	
	Ocean	marine	
	Wildlife	sand dune	
	Mini Beasts	Mammal	
	trunk	Evergreen	
	bark	Deciduous	
	branch	Habitat	

ENGLISH

Reading: Class Novel – The snail and the whale

Story for Pleasure – A range of picture books that the children choose daily. This half term the children will read and listen to a range of poetry such as poems on a theme, poems that rhyme as well as performing a range of different poems with actions. The children will identify the language and vocabulary used in different poems and also make comparisons and contrasts. We will also recap on information texts such as instructions for how to build a sandcastle. The class will continue with Phase 5 phonics and continue to apply these skills to read and decode a range of different words and sentences.

Writing Opportunities:

This half term the children will be creating different pieces of writing linked to the seaside and our class novel. They will look at the genre of poetry and the different type of poems. We will look at the types of language used in a poem, write our own poems including shape poems and poems that include similes and also link these to the seaside and ice-creams. The children will also write a range of texts including instructions, recounts and narratives.

Grammar Focus

The children will recap the grammar concepts previously taught in Year 1. We will focus on suffixes and prefixes. The children will be encouraged to use their conjunctions and, because and but in their independent sentences and we will recap question marks, exclamation marks and full stops. We will recap what a speech bubble is used for.

MATHS

This half term we will be recapping place value and learning how to partition numbers up to 100. The children will continue to work on their 2, 5 and 10 times table.

The children will be learning about money and the different values of each coin and note. The children will begin to count money and understand the terminology pence and pound.

We will begin to look at how to tell the time and will focus on how to tell the time to the hour and half past.

Year:1
Term: Summer 2
Theme: The Seaside

ART & DT- Design technology:

The pupils will learn how to shape and decorate clay, create a pinch pot, design and make a clay tile with house features. It emphasises practical skills in working with clay and applying artistic techniques in a structured project.

Music (Continued) Children will follow Charanga scheme of work which will focus on old school hip hop beats as well as reggae. The unit is centred around the song Rhythm in the Way We Walk. Children will learn about how pulse, rhythm and pitch work together as well as singing and rapping. (continued)

PE- WSPL-WSPL -Dance

COMPUTING

Children will continue to follow the Purple mash scheme. The children complete Unit 1.6 Animated stories and 1.7 Coding. Children will continue to recap e-safety and basic skills such as logging in, moving the mouse, saving work and logging out.

SCIENCE – Plants

This half term the children will look at identifying different types of trees. Begin to have an understanding of what evergreen and deciduous trees are. The children will learn about the potato life cycle and observe the growth of the potato we planted earlier in the year. We will learn what habitats are. We will look at seasonal change -from spring to summer

Vocabulary

habitat, evergreen, deciduous, bark, branch, trunk, spring, summer, season, life cycle

PHSE/ Jigsaw

Changing Me

The children will be discussing what changes about them as they get older. The children will learn correct terminology for body parts. We will discuss how it is a natural thing to grow up and what they are most looking forward to about growing up.

RE- Judaism

This half term the children will learn about Judaism and their celebrations such as Chanukah, comparing similarities and differences with our own celebrations.
