## CLASS DOJO

Class Dojo is a useful platform that helps with communication between parent and teacher. Many parents are now signed up on the platform. This platform enables teachers to upload information that the class may need to know or upload photographs. If you would like to sign up and have not yet please ask and we will help you sign up.

## DAILY SCHEDULE

### Registration:

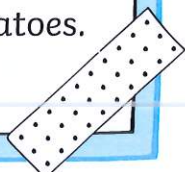

Doors open at 8.30am and register is taken at 8.55am.

### Breakfast & Snack:

Upon morning arrival, we provide free breakfast for all children each morning. The choice is from bagels/toast or cereal. Children also receive a piece of fruit in the afternoon for snack.

### School Lunch:

The school lunch menu includes two hot options and the choice of sandwiches or jacket potatoes.

## UNIFORM

We kindly request that all uniform items are clearly labelled with your child's name to help ensure that everyone goes home with their own belongings. Please also be aware that your child may occasionally come home with paint or other marks on their clothes. Messy play is an essential part of learning in the early years, and it often means that your child has had a day filled with fun and engaging activities. A little mess is a sign of a great day of exploration and creativity.

## TOYS

We understand that children may be excited to bring their toys from home; however, we kindly ask that they refrain from doing so. Bringing toys can sometimes lead to issues or toys going missing. Thank you for your understanding!
